Successful candidates who obtain 70 per cent of the total marks in the part shall be placed in the first class in order of merit and the other successful candidates in the second class in alphabetical order.

No candidate shall be declared to have passed in Part III of the examination unless he obtains not less than 50 per cent of the marks in each subject. Successfu candidates who obtain 70 per cent of the total marks shall be placed in the first class in order of merit and the other successful candidates in the second class in alphabetical order.

A candidate who fails in Part II or Part III of the examination but obtains not less than 55 per cent of the total maximum marks in either subject of the part shall be exempted from appearing for the examination in the subject again during the succeeding two years.

Names of successful candidates who have thus been exempted in a subject of a part shall be published in a separate list in alphabetical order.

(*d*) A candidate who fails in Part I of the examination shall, while appearing for the examination again, produce evidence of having attended a further course of study for a period of not less than one academic year, except that in respect of a candidate failing in Part I at the end of the third year and appearing for the part at the end of the fourth year together with Part II or Parts II and III, further attendance shall not be compulsory.

A candidate who fails in Part II and has not been exempted from appearing again in Pathology shall be required to produce evidence of having attended a further course of study in Pathology for a period of not less than one academic year, a further course in Hygiene being optional.

A candidate who fails in Part III and has not been exempted from appearing again in Ophthalmology shall required to produce evidence of having attended a further course of study in Ophthalmology further attendance in Forensic Medicine being optional, except that in respect of a candidate failing in Part III at the end of the fourth year and appearing for the part at the end of the fifth year together with the Final Examination, further attendance in respect of Part III shall not be compulsory.

115. (*a*) Candidates for the Final examination shall be required to produce certificates of—

(i) having passed Parts I and II of the Second M. B. B. S. Examination ;

Final M. B. B. S. Examination —certificates required.

(ii) having been engaged in medical studies in the Medical College in the subjects of the examination for a period of not less than three years after passing the First M. B. B. S. Examination and not less than one year after passing Parts I and II of the Second M. B. B. S. Examination, and in the case of those who have passed the L. M. P. Diploma Examination for not less than one year after passing the Second M. B. B. S. Examination ;

(iii) having attended a complete course of lectures in medicine including Therapeutics ;

(iv) having attended a complete course of lectures in Surgery ;

(v) having attended a complete course of lectures in Midwifery, Gynaecology and Paediatrics ;

(vi) having worked as a clinical clerk in the medical wards of the Krishnarajendra Hospital or the Victoria Hospital for a period of 5½ months and of having attended lectures and demonstrations in Clinical Medicine during that period ;

(vii) having worked as a clinical clerk in the surgical wards of the Krishnarajendra Hospital or the Victoria Hospital for a period of 5½ months and of having attended lectures and demonstrations in Clinical Surgery during that period ;

(viii) having worked in the out-patient department of the Krishnarajendra Hospital or the Victoria Hospital for three months ;

(ix) having worked as a clinical clerk in the wards of the Vani Vilas Hospital or of the Maternity Hospital for a period of four months and of having attended on 5 labours under supervision, of having conducted 15 labours independently and of having attended an ante-natal clinic for two months ;

(x) having attended a course of lectures on Oto-rhino-laryngology for three months ;

(xi) having attended a practical course of Operative Surgery for three months ;

(xii) having attended a course of lectures on Anaesthetics and of having administered anaesthesia in six cases ;

(xiii) having attended a course of lectures and demonstrations on Mental Diseases ;

(xiv) having attended a course of ten lectures and demonstrations on Vaccination ;

(xv) having attended a Fever Hospital for one month ;

(xvi) having attended a course of lectures with practical instruction for three months in venereal Diseases and having satisfactorily undergone a test in the same.

(*b*) Candidates shall be examined in the following subjects:—

(i) Medicine including Therapeutics.

(ii) Surgery including Venereal Diseases.

(iii) Midwifery, Gynaecology, Pædiatrics.

(*c*) No candidate shall be declared to have passed the Final Examination unless he obtains not less than 50 per cent of the maximum marks in the written examination and not less than 50 per cent of the maximum marks in the clinical, practical and *viva voce* examinations taken together, in each subject. Successful candidates who obtain not less than 70 per cent of the total marks in the examination shall be placed in the first class in order of merit and the other successful candidates in the second class in alphabetical order.

A candidate who fails in the examination but obtains not less than 55 per cent of the total maximum marks in any subject and also the minimum in each division of that subject shall be exempted from appearing for the examination in the subject again during the succeeding two years.

Names of successful candidates who have thus been exempted in one or more subjects shall be published in a separate list in alphabetical order.

(*d*) A candidate who fails in the examination shall be required at each subsequent appearance to produce evidence of further study in the subject or subjects in which he appears at a subsequent examination.

Notification No. 29767, *dated* 10*th June* 1939.

The Silver Jubilee Kannada Gold Medal.

This Medal founded by *Rajasevasakta* Mr. B. M. Srikantia, M.A., B.L., Professor of English, Central College, Bangalore, will be awarded at the University Convocation of 1940, for the best Kannada Poem written by any undergraduate or post-graduate student from any of the Colleges in the University of Mysore.

2. The poem should be written in a pure Kannada metre (and not in the Sanskrit VRITTA or KANDA metre) and in an easily intelligible modern Kannada style. It may deal with any subject, ancient or modern, Indian or Foreign, provided the spirit and the treatment are modern. It may be a piece of original composition or a translation of an English or a Greek Classic or an adaptation of such, and should not exceed 300 lines in length.

3. The poem should have a motto instead of the writer's name and should be accompanied by a sealed cover containing the name of the competitor, his post office address and a declaration to the effect that the poem is his own *bona-fide* composition.

4. Competitors should send their poems to the Registrar, University of Mysore, Mysore, so that they may reach him *on or before the* 15*th January* 1940.

5. No one who has already won the Medal may compete again.

6. No award will be made if the poem does not reach a fairly good standard of execution and if it does not show some individuality in the writer.

Employment Bureau.

Notification No. 29488, *dated the* 6*th June* 1939.

The University of Mysore has instituted an Employment Bureau. The functions of the Bureau include the following :—

1. To obtain from the authorities concerned notifications relating to appointments available in the different departments of the State service and circulate them among University institutions for publicity.

2. To maintain a register of graduates and undergraduates desiring employment.

3. To maintain a register of employers desiring to be put in touch with suitable graduates or undergraduates.

Alumni of the University who are desirous of being placed on the register of the Employment Bureau are requested to apply to the Registrar for a form of application.

Persons, factories, firms, etc., desirous of employing graduates and undergraduates, are requested to put themselves in communication with the Registrar, University of Mysore.

Notification No. 29438, *dated* 6*th June* 1939.

The following transitory Ordinance respecting the Second M. B. B. S. Examination is published for information :—

Consequent upon the revision of the scheme for the Second and the Final M. B. B. S. degree examination, published in Notification No. 16090, dated the 7th January 1938 and coming into effect with effect from the III Year Class of 1939, candidates for the Second Examination held in 1938 not successful in the examination may be allowed to proceed to the fourth year course and appear at the end of the fourth year course for the Second Examination under the old scheme, as well as for Part I of the Final Examination under the old scheme. The results of the Second Examination so held shall be declared in two parts: Part I comprising Pharmacology, and Part II comprising Pathology including Bacteriology and Hygiene. Pass in both the parts shall be compulsory before a candidate can proceed to the fifth year class

(Letter No. E. 4222—Uni. 81-38-7, dated the 26th May 1939, from the General Secretary to Government, Bangalore.)

Notification No. 29234, *dated* 5*th June* 1939.

The D. Appu Rao Prize, 1939-40.

A prize of the value of Rs. 50 will be awarded by the University Council for the best essay written in English on the following subject :—

"Co-operation and Rural Re-construction in India."

1. Students of the University of Mysore or graduates of the University who have taken their degree not earlier than 1934 are eligible to compete for the prize.

2. No one who has already won it may compete again.

3. Each candidate for the prize should state generally in an introductory note and specifically in foot notes, the extent to which he has relied upon different sources of information and the portion which he claims as his original work.

4. The essay should have a motto instead of the writers name and should be accompanied by a sealed cover containing the name of the candidate, the class and college in which he is studying, the degree examination, if any, he has passed with the year of passing it, his post office address and a declaration that the essay sent in by him is his own *bona-fide* composition.

5. The essay should be forwarded to the Registrar, University of Mysore, so as to reach him on or before the 1*st October* 1939.

Notification No. 29534, *dated 7th June* 1939.

The syllabus in Chemical Physics for the B.Sc. Honours Degree Examination (pages 253 and 254 of the Calendar for 1938-39, Vol, I) has been revised as under:—

THEORY.

The gaseous state: densities of gases and vapours, vapour pressure, molecular weight, dissociation.

The liquid state: solution, osmotic pressure, electrolytic dissociation, molecular association in liquids, liquid mixtures.

Surface phenomena: adsorption, surface tension, orientation of molecules at surfaces.

The colloidal state: sols, gels and emulsions.

The solid state: amorphous solids and crystals; crystal symmetries, space lattices simple types of crystal structure and their chemical significance. X-rays and crystals.

Evidence of molecular reality; number, weight and size of molecules. Molecular form, elements of stereo-chemistry, structure of simple carbon compounds.

Nature of the chemical bond; valency and its electronic interpretation, polar and non-polar linkages.

Dielectric constant, temperature effect, Debye equation, dipole moment. Molecular association. Molecular refraction and dispersion.

Light scattering; Raman effect. Infra-red spectra, simple band spectra, heat of dissociation. Photo-chemical action.

Optical activity, Faraday effect, Verdet constant. Molecular magnetism and its chemical significance.

Homogeneous reactions. Affinity. Homogeneous and Heterogeneous equilibria.

Electrolytic conduction, ionic equilibria. Strong electrolytes. E.M.F. of cells.

PRACTICAL.

Simple qualitative analysis.
Purification of substances by physical processes.
Testing purity of samples.
Simple volumetric analysis.
Conductometric and potentiometric titration.
Simple gravimetric analysis.
Densities of gases and of vapours.
Determination of molecular weight of substances in solution by the freezing and the boiling point methods.
Osmotic pressure.
Partition coefficient.
Vapour pressures of liquids.
Critical points of liquids and liquid mixtures.
Preparation of colloidal solutions and study of their properties.
Refractivity, dispersion and their temperature variation.
Optical rotation, Faraday effect and Verdet constant.
Conductivity of electrolytes, transport numbers, ionic veolcities, electro-chemical equivalents, E.M.F. of concentration cells.
Measurement of dielectric constants.
Measurement of magnetic susceptibilities.
Measurement of Raman frequencies.
Analysis of simple crystals by X-rays.
Heats of combustion and of neutralisation.
Velocity of chemical reactions—Catalysis.
Strength of acids and bases.
Adsorption.

(Letter No E. 4031—Uni. 174-38-2, dated the 13th May 1939, from the General Secretary to Government, Bangalore).

The revision will be effective in the final year class of 1939-40 (from the examination of 1940).

By Order,
V. GOPALASWAMI AIENGAR,
Registrar.
